To Whom It May Concern:

This letter is regarding the services of the Secure Image Corporation and, more specifically, Mr. Maldoven.

I would not hesitate to recommend his services; he has on countless occasions provided our staff and families with identification cards in hopes of increasing security among us all. In a post- 9/11 world and particularly in the field of child care, these issues are at the forefront of everyone's minds. We at Rainbow Station are deeply committed to ensuring the safety of the children in our care and have been actively pursuing ways to achieve excellence in this realm. Providing our staff with identification and sharing these services to our families has been a natural progression in our development.

I know Mr. Maldoven as a parent of two children in our care and as a concerned citizen. The Secure Image Corporation reflects his passion in protecting both his family and his community.

Sincerely,

Rhiannon Boyd
