To Whom It May Concern:

It is my pleasure to write and extend my appreciation and satisfaction with your company in making the excellent I.D. badges for the Sperryville Volunteer Rescue Squad.

The I.D. badges have proven to be an asset as they display each individual member's picture, name and level of certification. This provides appropriate and professional identification for each care provider and member when presenting themselves to patients in their delivery of care and while in the presence of emergency department staff at our receiving hospitals.

No longer do members have to identify themselves as medical crew members as they wear their badges when participating in squad events and emergency runs.

Thank you for assisting our organization in solving our problems with identification and security in a timely fashion with continued follow up with our growing memberships needs.

Sincerely,

Andrew Clinedinst  
Captain of S.V.R.S.
