Dear Mr. Maldoven

I would first like to thank you for your quick response to my email in reference to the information on the plastic Miranda Warning cards.

Second, I would like to thank you for the quick delivery and the quality of these cards that our department has distributed to all of our employees.

I enjoyed meeting with you and looking at the different items that your company has to offer, and I look forward to working with your company in the future.

Sincerely,

Lt. John K Jacobs
University of Richmond Police Department
